BOARD OF SCIENTIFIC ADVICE.

Notification No. 15, *dated* 13*th July* 1921.

The Board of Scientific Advice, which is located in the premises occupied by the Mysore Government Soap Factory, offer the following facilities to the public free of cost :—

1. The Board's library contains a valuable set of books relating to specifications of all inventions patented in England from 1855-1908 and 1909-15. Besides these, the Scientific American and supplement, Nature and the bulletins of the Imperial Institute will also be available for references, etc. The library is open on all working days between 11 A.M. and 5 P.M.
2. The Board will be prepared to give advice on the scientific and technical aspects of chemical industries.
3. The Board will be prepared to arrange for the practical training of one or two Mysore students in an up-to-date sugar factory in the West Indies. Applicants should be graduates in Chemistry. No premium will be charged by the factory. All expenses have to be borne by the student himself; no scholarship being given.

The Secretary to the Board will be glad to furnish any further information which may be required.

By Order,
S. G. SASTRY,
Secretary.
